Bluewater Foods annual report

This document is fictional and was written only to test FilmDeck. All names and figures are made up.

Letter from the chair

Bluewater Foods had a year of steady progress. Revenue reached ₹4,200 crore, an increase of 12.5% over the previous year, and operating profit rose to ₹630 crore. We opened 18 new distribution centres and expanded into 6 new states.

Our customers increasingly choose healthier products. Sales of the wellness range grew by 31% and now account for 22% of revenue.

Financial highlights

Measure	This year	Last year
Revenue (₹ crore)	4,200	3,733
Operating profit (₹ crore)	630	541
Operating margin	15.0%	14.5%
Employees	8,150	7,420

Operating margin improved by 0.5 percentage points.

Operations

- Distribution centres increased from 42 to 60
- Average delivery time fell to 2.4 days
- Order accuracy reached 99.2%

Investment in cold-chain capacity continued, with ₹210 crore committed over three years.

Outlook

We expect revenue growth of 10% to 12% next year and plan to add 25 distribution centres.
