Meridian Health bulletin

This document is fictional and was written only to test FilmDeck. All names and figures are made up.

Clinic access

Average waiting time for a first appointment fell from 19 days to 11 days after the new booking system launched. Satisfaction with booking reached 87%.

Staffing

The network now employs 1,240 clinicians. Nurse vacancies dropped to 6.5% from 9.1% a year earlier, helped by a retention bonus of $1,500.

Prevention programmes

Screening uptake rose to 64% among adults over 50. Vaccination coverage for children reached 93%, above the regional goal of 90%.

Finance

Operating costs were $82.5 million, 3.2% below budget. Digital visits now make up 28% of all consultations.

Looking ahead

Next year the network will open 5 community clinics and extend evening hours at 12 sites.
